

**REMARKS**

Preliminary to examination of this application, please amend the specification as set forth above. This amendment attends to a minor typographical error.

In the Notice to File Missing Parts of Nonprovisional Application mailed June 14, 2004, it is indicated that Figure 17D is missing. Applicants submit that the recitation of Figure 17D in the specification is a typographical error, and that page 10, lines 17-19 of the specification should read "Figures 17A-17C", rather than ---Figures 17A-17D---, as originally written. Therefore, Applicants submit that all required items were included in the application as originally filed.

Applicants respectfully submit that the foregoing amendments introduce no new matter. Entry of the foregoing Preliminary Amendment is in order and requested.

Applicant believes no fee is due with this Preliminary Amendment. However, if a fee is due, please charge our Deposit Account No. 12-0080, under Order No. TGZ-030 from which the undersigned is authorized to draw.

Dated: August 5, 2004

Respectfully submitted,
